We would love to see all foursomes include two kids. If you do not have a child to play with, one can be assigned to you as your partner.

Since 2014, Dr Jay and Dr Attanti, in partnership with Harbor Hills Country Club, have produced this fundraising golf tournament and have raised over \$45,500 to benefit *For Kids Sake*. Parents and children play in this uplifting tournament to help those fighting for their lives and the families fighting with them.
